Potential for appreciation or	•						
depreciation in the value of the parcel	Extremely limited potential for appreciation in value						
Potential for development or value-							
added activities that complement local and statewide economic	Very little potential for value-added activity development						
development.							
Recommendation to sell or retain pare	cel:						
SELL:X							
RETAIN:							

Reasons for Recommendation:

Currently all parcels have a low rate of return to the state school trust and they are scattered isolated parcels that create additional administrative burdens to the local field office to manage effectively
